Host Family Letter to the Student

- **Host Family Name:** _____

If you are selected as a United Studies Host Family, this letter will be sent to the student placed in your home along with the photos you submit. Please use this letter to share your family's way of life with the student. We encourage all members of the family to write. Topics that should be included in the letter are, but are not limited to: a description of each family member, a typical day in your family life, a description of the school the student will attend, your community, recreational facilities in your community, any animals you have on your property, your children's daily activities and chores, and your expectations of having a foreign exchange student in your home.
