What makes you unique:

Student's Letter (Excerpt):

Dear Host Family,

My name is Gabriel, I'm a very socialiable guy. I like to always meet new people. I'm not a shy guy I'm actually very outgoing to new things and it's very important for me to always have a nice relationship with everyone.

I love sports a lot and I like to think I'm good at them. I've been playing soccer for 10 years and golf since I was 12 years old. My favorite sport is soccer because I'm good at it and most of the time I play soccer.

When it came to school stuff I'm kind of good at mathematics and science because they are for me the most interesting subjects.

I've been doing archery for years and I have assisted a lot of tournaments in my home country. I have won two national championships in the bronze medal. I'm very grateful for the opportunity to be with the family for one year and thank you for receiving me.

Since I was 3 years I've been doing catholic volunteering to poor communities I like a lot doing that because I realize I was rich in comparison with them but spiritually they were very happy and rich as well. I go every spring break one week to different communities

Gabriel
