Student's Letter (Excerpt):

Dear host family;

I'm writing you this letter to let you know a few things about me. First of all I want to say that I'm so excited about going to the US and study there for a year.

I'm also looking forward to meeting you, experience living with an American family and sharing you culture.

I'm so excited to learn about your hobbies and to share mine with you. I like soccer, field hockey (I play in a team) and watching movies. I love doing my hobbies with friends and family.

I'm a big extrovert and I love socializing with people. I'm really open-minded and eager to try new things. I'm also very attached to family so I can't wait to meet my new US family.

To be honest I'm a bit scared and nervous because I've never been abroad on my own but my excitement overcomes my fear.

I look very forward to hearing from you and thank you for your consideration.

Kind regards,

Helio
