Dear Host Family,

Hi,I'm Jhulie and I'm your future daughter from Brazil. I'm so excited about writing this. I dreamed with this moment so far. I'm 15 years old,I live in a city in the northwestern of Brazil with my parents. My mother is 34 old and she's a businesswoman. My father is 42 and he's a businessman. I have a sister and a brother. She's 21 years old and He's 13 years old but They don't live with me. My brother studies at the same school than me. We have two dogs,(Belinha) and Hannah (like " Hannah Montana").

I started dancing a year ago and was the best decisions of my life because I really love music and I'm doing two things that I really love at the same time! Reading is one of my passions and some of my favorites books are Harry Potter and Percy Jackson series. When my friends and I go out,we usually go to the movies,parks or we just stay home having a good time together.My parents really trust about me going out because I always ask for their permission. My whole family loves to travel,it's our passion. One of my favorites thing in the world,is to cook with my mom because we can have a really good time together. I love to make people 'round me laugh all the time.

So...that's me. I hope we can be a family and we can have fun,moments and good memories. I want to learn everything about your culture and if you want I can show how Brazilians are.

Thank you so much for reading,

Jhulie.
