Willing to live with pets: OK

Able to live with smokers: Yes

Allergies: No

Special Dietary Restrictions: No

What makes you unique:

Student's Letter (Excerpt):

Dear host family,

I can't wait to leave for this experience and meet you. I am an open girl a new culture and I hope to feel good and spend good months in your company. I spend my free time with my friends and my family. I have a wonderful relationship with them. My hobbies are cooking, going out with friends, being with my family, going to the movies and playing sports. My favorite sports are swimming running and riding. I also like traveling and you visiting new places. I've been to Tunisia grease England Albania... And now I am happy to see America too.

I live in a small town not far from the center, very quiet and with beautiful people. I love studying, I do scientific high school. My favorite subjects are art, biology, physics and mathematics. After school when I come home, I help my mom with the household chores, tidying up my room, wash the dishes, prepare lunch and study. I hope to help you as soon as I arrive. I love spending time with my brother and my best friends. We are always together we are we like to joke and laugh.

I am sure that I will spend a fantastic year with you. Thank you for choosing me and for your hospitality. I hope to meet you soon.

A kiss, Laura
