Student's Letter (Excerpt):

Dear Host Family,

I'm Maximilian and I'm 15 years old. All my friends call me Maxi because Maximilian is too long to speak. I live with my brother, my dad and my mom in Germany. I was born in the U.S.A. in 2003 when my dad worked for a German automotive supplier. I am in 10th grade, my favorite subjects are math and technology. In my free time I play American Football. When I am not playing Football I go running or meet my friends. Sometimes I play video games. I like to work with my hands, for example all kind of hand's craft. I like to do things independently. In the summer time me and my dad go hiking and climbing in the Mountains. In the winter time I go skiing with my family and friends. I can skiing and snowboarding. One of my biggest dreams is to play in the NFL, if this not works, I will study mechanical engineering. Or do an education to a carpenter. Maybe you are asking why I would like to go to America? Because I want to learn to speak English better than I do it now and I want to know how it is to live in the U.S.A.. I looking forward to seeing you end know your family.
