Student's Letter (Excerpt):

Dear host family,

I hope you do not mind me writing before we meet. I would like to introduce myself and to say that I am very grateful for the opportunity to stay with you while I go to school in your country. I am 15 years old. I live with my parents and my younger sister. We have a nice flat with three rooms. I share my room with my little sister. My sister and I have a very close relationship and we do a lot together. For example go for a walk or eat something together. My sister and I do not attend the same school but both schools are near our flat.

On a typical day, I get up and go to school. The school start at 8 o'clock. After school I have guitar lessons or I do my homework's. Sometimes I also meet with my friends or go for a walk with my father. I am a "father child" I always like to do a lot with my dad. As already mentioned, I play the guitar. I love the music. I like to listen to music and dance. One of my biggest hobby is reading. My favorite author is Paulo Coehlo. He writes very philosophical books and I love to think about it.

I look forward to hearing from you soon and especially to meeting you.

Yours Sincerely,

Salma
