**Allergies:** Mild Hay Fever, Cats, Dogs, Horses

**Special Dietary Restrictions:** Yes vegetarian

**What makes you unique:**

**Student's Letter (Excerpt):**

Dear future Host Family,

My Name is Sarah and I'm 16 years old.

I am from Germany and I live together with my mum, her boyfriend and my 13-year old sister.

I am very sporty and I go to the gym 4 times per week for weightlifting and running. I'd like to continue going to the gym in America but I'd also like to try new sports there.

My favourite food is vegetables and fruits because I love eating healthy and I'm vegetarian. I love cooking and do it nearly everyday. I also spend a lot of my freetime with my friends. I love going outside into nature and taking photos or just look at the sky full of stars or watch the sunset. Because of that I also like camping and travelling to see as much of the world as possible.

I'm a very open-minded person and adaptable for nearly everything. I love to meet new people and learn about them.

My School in Germany has about 1000 pupils and the main emphasis at my School is Psychology. Currently I'm in class 11 and I think I want to study Psychology after I finished School. Or I want to work with Kids. I love little kids and I also do Babysitting here in Germany, at an American Family with 3 Kids.

I've never been to the USA before but it's my dream since I was a little girl because in my opinion it's a very fascinating country.

The main reason why I want to do an Exchange year is because I want to improve my English and learn to live in a completely new culture.

I'm really excited to live with you for one year and I'm happy to make new experiences.

Thank you for making possible for me, being a part of your family!

Lots of Love, Sarah
