Student's Letter (Excerpt):

Hi My name is Sebastian, im 17 years old. I have a medium size family, my dad, and my mom, I also have my older sister, and my little brother. We are a crazy but really nice family, and we like to spend a lot of time together. I like a lot sports, specially soccer, i like playing Xbox with my friends, and watch movies with my family and sometimes tv shows with my sister. At school, my favorite subject is english, because is pretty easy for me, even thought I dont speak it so much, but the best part of my day is physical trainig, because I love doing sports and spending time outside. In Mexico, im really close to my family, we spend a lot of time together, and we are a big family, so I hang out a lot with my cousins, aunts, uncles, and grand parents. One of my goals, I would like to get to know another country because i have never left mine. Im a social guy, I like to meet a lot of people, even sometimes I get my own time to know them and bond with them. I would love to visit the US, and visit many places and cities in there, I have always liked for what I know from school and the tv. In my close future, i would like to go to a college in Mexico, and get a degree in Administration, so I can learn how to manage my own company.
