Willing to live with pets: OK

Able to live with smokers: Yes, but only if they smoke outside

Allergies: No

Special Dietary Restrictions: No

What makes you unique:

Student's Letter (Excerpt):

Dear host family,

My name is Thu, I am 16 years old and I am studying grade 10 in Vietnam. I am good in Math, Biology and Chemistry but not good in English in 2018-2019 semester. I am hard working, sociable, honest and friendly. In my free time I enjoy music listening, dancing and swimming. Those things make me feel comfortable and stay healthy. My favorite subject is Math. At school, teachers are really friendly and enthusiastic. Every week from Monday to Friday, I have 5 lessons in the morning, lunch break before having 4 more lessons in the afternoon. In the afternoon,

My family has 5 members, they are: my grandmother, my parents, my sister and me. My father is an engineer and my mother is an accountant. My sister is a student at in Texas, she is now 20 years old. Last summer, she and I sometimes cook foods and make cakes. Last 4 years she usually help me to do homework. In summer, I usually go to countryside or travel to another countries. When I go there I can go to the beach many times. The beaches are among the most beautiful beaches in Vietnam. Every new year, I come back there to see my grandparents and other relatives and enjoy traditional and delicious foods.

I have been selected to join in exchange student program in the US, studying in a high school in your area. I am looking for a host family that can help me for accommodation during my study in the program. I am going to study at grade 11 in school year of 2019-2020. I will follow all of family rules(meal times, napping, curfew, etc.) and help you to do housework/chores during my free time. I will try to be familiar with your family members and school society, and I want to be your family member.

I hope that you will accept me as your family daughter and help me during my studying in the coming school year in the US.

My sincere thanks and best wishes,

Thu
