**Student's Letter (Excerpt):**

Dear Host Family

My name is Valle and I'm 14 years old. I live with my parents and my little brother in Spain, and I can't wait to go to the United States.

In my free time, I like hanging out with my friends for watching a movie or chatting. I also enjoy reading, especially novels. My favorite books are those about mystery and fiction, I like very much the Percy Jackson saga. I also love music, and I am learning to play the double bass but I enjoy taking any other instrument and playing it. My favorite sport is skiing, and volleyball too, although I am not as good as I would like.

I love plants and animals, I have four turtles in my small garden. I like having walks as well, and I usually do it every evening with my mom and sometimes with my brother. I am a responsible person who enjoys helping others, but sometimes I am a bit messy. My favorite subjects in the high-school are biology and chemistry and, in the future, I aspire to be a doctor or a biologist.

Best wishes  
Valle.
