## **Student's Letter (Excerpt):**

Dear host family,

First of all, I would like to thank you for taking your time reading my letter. Unfortunately I don't know anything about you yet so I'm going to tell you something about me. My name is Senay. I'm 16 years old. I'm from Germany. I live with my mother, my father, my sister and my dog in a flat. My hobbies are horse riding, dancing, drawing, playing guitar and flute. I like to listen to music too. I love to go out and cuddle with my dog.

I'm riding in a small group of girls. There are four horses and one foal. We clean, feed and ride them. I play the flute in the school orchestra. We rehearse once a week. The orchestra is playing on school concerts and events. One of my biggest hobbies is dancing. I love to dance. I also like animals. It doesn't mind if they are small or big.

I am open for all new stuff in the USA. If you have a special hobby I will definitely want to try that too. In my free time I like to meet friends, watch movies or just talk and listen to music.

My family is an important part of my life, we have a good relationship. We can do a lot of great things together, like go for swimming, hiking, evenings, spending time together, traveling, visiting friends or family or just going outside with our dog. On most Sundays my family I have a big breakfast together talking or making new plans because the other days at the week we don't have the time.

I've always love traveling a lot in the USA has fascinated me! I have never been before in the USA. I'm really happy that I will soon get the chance to know the country and the people living there. And after the months I hope to take a big part of the US in my heart to Germany. I hope you got a good impression of me by reading this letter. I would be so glad and grateful if you would let me be a part of your family!

Sincerely, Senay
