**Student's Letter (Excerpt):**

Hi I'm Simone and I'd like to spend my next year in U.S. as a personal experience. Of course I want to improve my English but I'm a shy type of person so I also want to be more expansive from a social point of view. I like sports, they are one of my main hobby and I practiced many of these like tennis, basketball, and soccer. Travelling is my passion, I've been in a lot of different places and I want to visit every country; I'm mentally open to different culture and traditions and I'm interested in these. One of my biggest dreams is to do a "non-stop" trip for a year and travel all around the world.
